## July 2016

### *This Month @ Owl Harbor*

#### Happy 4<sup>th</sup> of July

June seemed to go by in a flash, with the kick off of movie night, our Tenant and Delta Doo Dah BBQ, Summer Sailstice and everything in between.

The 4<sup>th</sup> of July brings everyone out on the water to commemorate the adoption of the Declaration of Independence on July 4, 1776 by the Continental Congress declaring that the thirteen American colonies regarded themselves as a new nation, the United States of America, and no longer part of the British Empire.

So on this day, remember your independence and let everyone be free to be who they are; that is what makes the United States a great nation.

**Enjoy !**

# News & Noteworthy

Thank you everyone for calling or emailing your RSVP to attend our tenant BBQ on June 18<sup>th</sup>. It looks like we are going to have a great turnout and good food.

July is a great month for gathering with family and friends, Keep in mind that we need reservations to reserve the picnic areas, and they are pretty busy through the summer. So if there is a special day you are thinking about, check with us sooner, rather than later so you're not disappointed. Camping is ONLY available in these specified areas with prior approval from the office.

Just a reminder if you see something that needs attention, please let us know. We want to be sure all is safe and in working order. Thank you!
