Happy 4th of July

Thank you to all those who dared to come out in the heat to enjoy the tenant BBQ. It was a fun, and delicious, time. This was also the introduction of our newest coworker, Jeannie. Some of you had a chance to meet her at the party and some of you may recognize her from our neighboring marinas; Korth's Pirates Lair or Willow Berm where she has worked for the past 11 years. She fits right in with our love of the Delta and all that it offers. We are very lucky to have her, her experiences and knowledge of everything around the area. She will be working mostly Thursday - Saturdays in the office so stop by to see her smiling face and say hello.

Next up for July is our 1st Annual Chili Cook Off - hooyah!

**Have a great, and safe,
4th of July!**

Break out your favorite Chili Recipe

Everyone has a recipe that family and friends always brag about, so we thought it would be fun to have our first Chili Cook Off.

July 22, @ 1:00 p.m.

Bring your chili and we will have tasting bowls for everyone to sample and then vote. We will have cornbread and salads. If you would prefer to bring something other than chili to share, please do.

NEWS FROM THE TOP

Free Fishing Days: July 1 and Sept. 2

California Department of Fish and Wildlife offers two Free Fishing Days each year. On these days, you can fish without a sport fishing license. While all fishing regulations, such as bag and size limits, gear restrictions, report card requirements, fishing hours and stream closures, remain in effect, there are two days each year when anyone can fish without purchasing a fishing license.

On Free Fishing Days, every angler must have the appropriate report card if they are fishing for:

- Abalone
- Steelhead
- Sturgeon
- Spiny lobster
- Or salmon in the Smith and Klamath-Trinity River Systems.

NEW App for Managing Boat Sewage the Environmental Way

California's recreational boaters in the San Francisco Bay Area, the Sacramento-San Joaquin Delta and Southern California now have a new digital tool to aid in the proper disposal of boat sewage. The "Pumpout Nav" app is designed to help boaters locate the closest sewage pumpout station for their vessels. Using the mobile device's location, the app displays the pumpout stations closest to the boater, their operational status, as well as the cost, hours and location within the marina. The new app is free and available for download from both the Android Play and iOS Apple stores.

California State Senate Unanimously Passes Fishing License Reform Bill

On May 31st, the California State Senate unanimously passed Senate Bill 187, authored by Senator Tom Berryhill, that will transition California's calendar-based fishing license to one that is valid a full 12-months from the date of purchase. This is great news, for in 2015 similar legislation failed to reach the Senate floor.

DO YOU OWN A DOG?

For those of us that have a dog, it's heaven to have them at the marina, off leash, enjoying the Delta life - just being a dog. Unfortunately, what goes along with being off leash is the casual "potty stop" that some owners miss. As a courtesy we provide dog bags at each dock, picnic area and around the marina property. As a daily walker of the marina, I can clearly identify the favorite dog stomping grounds to leave messages. F and J docks are the local favorites, but there are other locations as well that are popular spots! What this means is that dog owners, especially on those docks, may need to pick up the pace (and the poop) of their 4 legged companions, or dog leashes will need to be brought out. Remember, your dog needs to be under your command at all times; if you aren't with them, they aren't under your command. Thanks for getting on this stinky issue.

FIREWORK SHOWS

If you aren't able to get out and see the fireworks at Mandeville by water, you can view The Delta Fireworks Display at Mandeville Island by land.

When: July 4, 2017

Time: 6pm to midnight

Location: Mandeville Tip County Park, Stockton, CA 95219

As a reminder, Fireworks "ARE NOT PERMITTED" at Owl Harbor Marina. Sorry, but safety comes first for our friends.
