Hot August Nights

So far this summer has been just ideal; hot/warm days and for the first time I can recall, beautiful breezes to keep them bearable. The perfect time to be on your boat and in the water, and of course, great sailing!

There is a lot happening each weekend with boaters and their guests enjoying the marina, it is wonderful to see. We have been keeping up with the demand for our fresh organic goods from the garden (thanks to the OH crew for keeping it alive) and everyday the counter is full. We are delighted to share it with you. The "Peeps" have slowed down, so eggs are now in 6 packs to meet the demand.

If you haven't seen our new Owl Harbor book, come by the office to take a look. It is a beauty and available in both soft and hard covers. It showcases the many things we love about Owl Harbor, and it's perfect boat size. We are now working on an Owl Harbor recipe book with recipes from you. We are looking for simple, boat friendly, recipes that you love to have and make while boating. Please email me or Jeannie so we can get them typed up and completed for the holidays. If you have a photo of the completed recipe, that's even better.

Enjoy the water time!

Devery, Max, Abby, Stephanie, Twitchell
and
Captain Jack Sparrow

What's Next and What's Coming Up...

August 4

17th Annual Taste of the Delta. For more information and tickets go to: www.tasteofthedelta.com

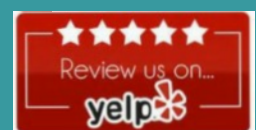

August 11

Join in a fun day on the water with our Annual Dinghy (or any floating device) Poker Run. More details on page 2.

August 25

Owl Harbor Fishing Tournament. More details on page 3.

Updates.....

***Please turn off your water if you are not here.** We have water savers on the faucets, and if your water is left on, the water pressure builds up and "sprints" out continually.

***Looking for your favorite "boat food" recipe (or just any, easy favorite).** We are putting an Owl Harbor Marina recipe book together and would love to have your favorites to add to the list. If you have a photo, those are great too, just send it all to me or Jeannie.

***The garden veggies are changing out.** On their way out: zucchini, cucumber, basil, bell peppers, kale, carrots. On their way in: Tomatoes, spaghetti squash, eggplant, melons, other peppers, beets. The counter is full, so enjoy the taste of Owl Harbor.

New Products and Special Events

Things continue to evolve here with some new pottery work by Kurtis of River Pawn Pottery, Owl Harbor bags with a map of the Delta area and special events like our first wedding. Here are some great pictures of these specialties. Enjoy!

August 11 - Annual Dinghy Poker Run

Dinghy, kayak, paddle board, swim to gather your poker hand throughout the marina. When it's all said and done, the best hand will win a handsome sum of green backs - and the worst hand, well, may not be so bad, it has perks too.

Join us at Noon, August 11 on the clubhouse deck where we will discuss the plan of attack. Participants will start at J dock this year, and work our way up the slough picking up a card as you go. When all are done, we will gather on the deck to play out the hands and then we will eat.

We will have a potluck for those participating, so bring your favorite side dish and we will provide the BBQ!

August 25 - Fishing Fun Tournament

Join us, Owl Harbor Marina, for our
2nd Annual Fishing Derby
Saturday, August 25th 9:00 am – Noon
BBQ from us, Potluck from you
with awards at 12:30 at the clubhouse
