## September 2018

### Fall is just around the corner

You can feel it in the air, the season is starting to change. As you leave your house, you make sure to grab that jacket, just in case. We are feeling the change here at the marina ever so slightly; a little cooler to start the day, warming up perfect, then cooling down in the evenings. This is the cycle that so many of us are aware of; time is going by. We start to think of fall; pumpkins, costumes, giving thanks and the December rush.

It is also the best time to be on your boat relaxing with a delicious meal, and making plans for your next boat project; after all, it is a boat, and there are always projects to be done (hee, hee). If you didn't get done what you wanted to this year, put it at the top of the list to start it now, it will be all fixed and ready to go when you're ready to get on the water.

The weather may be changing, but we still have events happening here, so be sure to mark your calendar to join in the fun and festivities. Start planning your costumes now, we have some great "cash" prizes to make it worth your while.

Until then, keep having fun!

# The Poker Run was a Blast.....

A great time was had by all, and once again, the potluck afterwards was just incredible. We had 18 different riding, paddling, rowing, motoring, machines and lots of smiling faces.

# The Fishing Tournament
