

July 2020

Whoo News

The Best of the Best.....

Summer is here - just in case you weren't sure. Even with COVID in full bloom people are getting out and enjoying their boats and this year, especially, the Delta. There are many who are here for the first time, exploring the wonders that we "regulars" see daily. That also means that the marina is busier than normal and there are more people, children and pets, to be aware of. Safety is first here at Owl Harbor for you, your loved ones and friends and boats. If something needs our attention, please let us know. It's also time to vote for all your Delta Favorites, please check out the site (listed on page 3) to share your favorites so we can support them all.

Have a wonderful 4th of July and be safe,
Devery, Max, Samantha, Twitchell and Captain Jack Sparrow

Current Events and Updates

Happy 4th of July

Good News: We will be open on July 4th from 10:00 - 4:00 pm at the office.

Bad News: Hilton Fireworks regularly scheduled for the 4th of July have been canceled.

July 18

Owl Harbor Fishing Tournament has been canceled at this time.

August 15

Owl Harbor Marina Tenant BBQ and Dinghy Poker Run has been canceled.

September 5

Hilton Fireworks are on for Labor Day Weekend!! Finally some great news.

Important housekeeping updates - A must read for all tenants/guests

We have some new signs that you will be seeing around the marina as gentle reminders, one is a new speed limit sign. We hope that this brings awareness to you and your guests as you enter the property.

We have elder pets that do not move, move slow, or can't hear, so be patient, and even in some cases you may need to get out of your vehicle and move them.

We would really like your help on this to keep everyone's pets safe. Thank you.

OHM Garden is incredible this year. We are happy to have you roam the rows, take in the hard work that the crew of Owl Harbor put in - but please come to the office to gather available items. We love to share our goods and appreciate everyone leaving the harvesting to us.

We have 5 picnic areas for you to reserve for your personal gatherings. Please inquire at the office to the availability of an area so you may enjoy your family and friends.

We are happy to offer both garbage and recycling at each dock. We appreciate your continued support and efforts in breaking down the boxes for the recycle cart. It makes more room for other to place their recyclables in the cart also.

COVID has surely taken it's toll and touched just about everyone in one way or another - none good.

In an effort to keep everyone here, guest or tenant, safe, **on all holiday weekends, masks will be required when on the clubhouse deck, office or main restrooms. There is no gathering allowed on the main deck.**

This will start this Friday, July 3rd in our efforts to providing a safe social distancing for everyone and will go till Monday, July 6th. We appreciate your cooperation in this effort.

The policies we have at Owl Harbor are for everyone's safety and to provide a nice, clean, safe, environment for everyone to enjoy. I believe it is what has made Owl Harbor special to so many, and why you are here. For the marina to run the way it does everyone needs to follow the rules, old and new clients both. We know you have choices, and we are glad you have chosen this marina and this lifestyle to be a part of. Stay safe and enjoy today!

Events

With so many events around needing to be canceled, we are sorry to add to this list the following traditional events we have had for 10 years here at Owl Harbor:

1. **The Fishing Tournament** scheduled for July 18 will need to be canceled at this time. Though it is a solitary sport for the most part, we do not want any gathering to celebrate the fishermen that win the categories.

2. **Tenant BBQ and Dinghy Poker Run** scheduled for August 15th will be canceled. Due to the high volume of people, it is not in anyone's best interest at this unknown time.

3. **Fireworks yeah!** Finally some good news! Baron Hilton's annual 4th of July fireworks have been canceled, however they have just announced they will be having a great celebration on September 5th in honor of the Labor Day Celebration - hooray.

4. **Owl Harbor's Annual Swap Meet** regularly held on the first Saturday in May was postponed, then was postponed again, and now, we have decided to cancel it for this year. We will for sure be holding this fun time on Saturday, May 1st, 2021 so mark your calendars now to start collecting your goods to sell, buy and trade.

5. **Vote for Best Marina in the Delta.** Each year Visit California Delta has been awarding businesses with the title "Best of the Delta" from your votes. It is a great way to show your support (especially now) as well as provide you with chance to visit places you may not have known about.

We appreciate you taking the time to vote for all your favorites, and don't feel obligated to fill in each category if you don't have one to select.
