Happy New Years

If you are reading this, then you survived the holiday season – congratulations! It was a whirlwind of a year, and now, we get the opportunity to start new, fresh, and hopefully, full of new adventures (that involve your boat, of course).

We have such a giving community here, thank you, for your support in our "First Annual Zarida Toy Drive". It was a huge success and we donated all the toys to the Walnut Grove Fire Department that provided Christmas to those in our community: Isleton, Ryde, Walnut Grove. I'm sure the children had a special day, thank you so much for your kindness and generosity.

We didn't have our traditional holiday season gathering, with the loss of Zarida, but for those that "Decked their Hulls" it made it nice for everyone that dropped by to see the spirit of the holidays here at Owl. We have a special treat for all those that helped keep the feelings bright here during a challenging time, thank you.

For us here, we are looking for a joyful beginning filled with the opportunities that can only be found among friends and boaters, and of course the incredible surroundings that can only be found at Owl Harbor. What are you looking for?

May your year ahead be blessed with health and happiness, and we appreciate you for making this your special place stay,

Cheers and Happy New Year 2025,

Devery and Captain Jack Sparrow
