## NOVEMBER 2024

### November - Giving Time

We have made it this far into the year with only two months to go, till a New Year gives us an opportunity to start again – new and refreshed. I love it. Soon we will be making plans for what new projects we want to do, changes we think you may like, and other dates we will want to add to your calendars for gathering with friends, new and old. That list usually goes out in January, so stay tuned.

With the writing of this newsletter, in a few days, we will have a new President, I'm sure lots of political changes with personnel, and a coping skill for us personally to persevere – only one person will win, I hope it's the one you want.

I don't like politics, so to move on to happier thoughts, Zarida suggested we create a new, very positive, project – and we are happy to include you in it. We will be having a Toy Drive to benefit the children of Isleton and Rio Vista. We will start collecting November 1<sup>st</sup> through December 15<sup>th</sup>. You can review the information on the next page.

Wishing you and yours a blessed Thanksgiving,

Devery and Captain Jack Sparrow

### **Registration for Sandhill Crane tours is open!**

You are invited on a tour, in Lodi, during the "Season of the Sandhill Crane". The season begins with the arrival of the Sandhill Cranes into the Delta and Central Valley in about late September, where they will spend the fall and winter months. Tours consist of viewing Sandhill Cranes and other unique wintering waterfowl, hearing a presentation on the cranes and their Reserve habitat, and viewing the cranes' impressive, nightly behaviors at a location that is only open to the public during these special tours.
