

WHOO NEWS

MARCH 2025

Is it really March Madness

The days are getting longer, we are seeing more blue skies, and yes, there is light at the end of the tunnel (and no it's not a train)! What light, you ask? The light of good days on the water, good friends' laughter, and planning good times on your boat.

We had a great Super Bowl Party/Chili Cook Off, and although the game was less than riveting it was a delicious time. Congratulations to everyone that entered their Chili – there was something for everyone and it was all good.

Next up, we have a date for Annual Nautical Swap Meet, Saturday, June 14th. Start gathering your goods to bring. As always, this event is free and the only time we are open to the public. I will be sure to keep you informed as we get closer.

For the gardeners, we are hoping to have the gardens ready for you in March, so you can start planning on what goodies you desire to plant in your garden. If you have not signed up yet for a spot, it's not too late. Just let us know and we will be sure you have a plot.

Enjoy the day and stay well,

Devery, Quinn, and Captain Jack Sparrow

We are happy to welcome Maureen to the Owl Family

Please join me in welcoming Maureen to Owl Harbor. Maureen joined us February 12th and has become a wonderful part of our little family. She lives here, in Rio Vista, which is great for us, has many years of boating experience traveling around the Delta (about 20 years), and personal experience living on a boat. She is now on land, but loves the water. We are happy she loves animals, especially her Golden Retriever, Saylor, who may come for visits when Maureen is ready to introduce her to us – after all, we are a pretty wild bunch.

We are so happy to have her.

Chili Cookoff Winners and Players

Congratulations to the winners of this years Chili CookOff

1st Place – Leslie Lilly (Joel's soon to be wife)

2nd Place – Joel Erlich

3rd Place – Jason (Leslie's son)

4th Place – Mary Abbott

Big thank you to Chris Armbrust who helped me "Judge" all the chili's. It was a tough job, but someone had to do it.

Not sure if Bill was betting on a team or checking stats?

Pretty serious group but heading in for seconds of the chili feast.

Grandpa and Grandson enjoying time together.

Get your boat ready for the Season

Not sure where to start, we have a friend here at the marina, Chris Ambrust, that can help you make sure your boat is safe and secure to be on the water.

Chris has volunteered his time to help you with your United States Coast Guard "Vessel Safety Checklist".

This is a good way to gain additional information on your skills and preparedness while on the water.

Chris can be reached at CAmbrust@aol.com or 415-497-4238

Do You Have Your Boating Card?

Just checking in that EVERYONE must have their Boater Card as of January 1, 2025. It's not too late to jump online and take the course to get your card.

As you think about the season, get your card now so you can do it on your time and not when you get a "fix it ticket" during the summer.
