G-FLEET CRUISE IN

Owl Harbor welcomed a group of Nordic Tugs for the weekend of July 25. I spotted them by marker 35 and helped guide the parade of boats into J dock. The floats were floating in the river before the engines had a chance to cool down. They had picnics, rented our clubhouse for a pizza party and nautical bingo, and even had a van take them to Lodi for wine tasting and a wonderful dinner. What a great group of people with boats that shone with pride!

JULY 18TH PARTY

Thank you, Owlies! We had a wonderful gathering on July 18th. If you missed it, it was a good one. Wonderful people, food, and music. I could not have asked for better weather. I think what I enjoyed the most was watching old friends reunite and just chat, smile, and laugh.
